Abide in Christ

# The Vertical

**We love God with all of our heart, soul, mind and strength and passionately seek His manifest presence through intimacy with Him in both individual and corporate worship and prayer.**

**We abide in Christ, living in perfect rest and peace, and drawing all our strength and resources from the power of His grace in our lives.**

**We live in the kingdom of God, submitting every area of our lives to his kingdom rule and reign.**

# **The Horizontal**

**We love others with the love of God loves us and demonstrate His love through acts of kindness to the needy, broken, and sick.**

**We release His kingdom power and authority into our world.**

**We persist in prayer for God's kingdom to come and for righteous government within every area of our nation and the nations of the world and we are led by the Holy Spirit to take action to effect transformation in the world.**

# Values

## God-centred

**Our core belief is that God is love, and that his love is perfectly revealed to every individual through the incarnation, life, death and resurrection of his son, Jesus Christ. Our response to this amazing love is a deep commitment to put him at the centre of every aspect of our lives and for creative expressions of our worship and a passion for prayer to remain firmly at the heart of our life as a church.**

# Values

## Loving

**We see the church as a loving, caring family with a deep commitment to maintain real and open relationships, to serve and support one another, and to provide an inclusive environment in which every person can find refuge, new hope and a sense of belonging.**

# Values

## Prophetic

**We believe that God has a deep concern for the well-being of every person, and he longs to speak to us individually and to touch our lives with his transforming power. As disciples of Jesus, he calls us to be a prophetic people who become his voice and his hands, bringing heaven to earth and communicating his heart for people through our words and actions.**

# Values

## Purposeful

**Our primary purpose as a church is to obey Jesus' command to "go and make disciples" by reaching out to connect with people, proclaiming the good news, praying for their needs, healing the sick, demonstrating God's love, teaching God's Word, and training people in whole-life discipleship.**

# Values

## People-empowering

**We do not see church in terms of minister and congregation but as a community where everyone has a vital role to play, and where ordinary people are equipped, enabled and released to live extraordinary lives as ambassadors of God's kingdom in their homes, families, neighbourhoods, social circles and workplaces.**
